## Electrical

Input voltage/Frequency: 10.8V-16.8V (Universal voltage)

Wattage: 200W

Battery: Powered by a 4-cell lithium-ion battery

Auto-shut off: Automatically shuts off after 10 minutes of inactivity

Auto shut-off and safety lock: Switches off after ten minutes of inactivity. The safety lock allows for immediate storage after use.

Cable length: 12 ft 5 in (3.8 m)

## Construction

Durable finish: A highly durable finish withstands the daily rigors of a busy commercial environment

Flexing plates: Flexing manganese copper alloy plates shape to gather hair

## Operation

Heat settings: 3

Temperatures: 330°F (166°C), 365°F (185°C), 410°F (210°C)

Intelligent heat control: Regulates plates temperature 100 times a second

OLED screen: Battery, temperature and charging status displayed

Run time: Up to 30 minutes cord-free styling<sup>1</sup>

## Logistics

Single unit order code:

Black/Purple – 322870-01

Unit barcode:

Black/Purple – 885609019857

Net weight (including cable and plug): 1.24lb (561g)

Packaged weight: 4.81lb (2.18kg)

Packaged dimensions:

(L) 10.2 in (259.5 mm) x (W) 3.6 in (92 mm) x (D) 5.4 in (136 mm)

## Charging dock/Stand

Weight: 0.79lb (357g)

Fitting: Magnetic 360° charging cable connects to the base of stand to be used as a charging dock

## Standard warranty

2-year warranty

## In the box

Charging dock

Heat-resistant travel pouch

Magnetic 360° charging cable

1. Exact run time may vary based on hair type and styling technique.
